

SHEET HELPER TICKETS

The Helper Room has always been a highlight of our UFDC convention. It offers attendees the opportunity to win remarkable dolls and related merchandise, as well as provides significant funding towards our signature annual event.

As part of our 2026 gathering in New Orleans, we have updated our Helper Room ticket system to make things better and easier for our attendees and volunteers.

These Improvements Include:

- As pictured above, our new helper tickets now come in sheets of 25 and you don't need to sign each one before placing it into a helper's bucket.
- Each of the 25 tickets per sheet has the identical number, making tracking much easier.
- Each sheet has a special master stub which reflects the number of its sheet, so you only need to follow one number, not 25!
- To claim your helper wins, just show your stub number instead of fishing around for a specific individual ticket.
- AND... each sheet includes an additional door prize coupon, good for a drawing to win receive a free registration to our 2027 UFDC National Convention!

2026 Helper Ticket Sheet Prices:

- \$20 for 1 sheet
- \$35 for 2 sheets
- \$45 for 3 sheets
- \$50 for 4 sheets

Special Advance Purchase Bonus:

For every \$50 you spend on helper tickets purchased through the UFDC office on or before May 20, 2026, you will receive one bonus sheet - that's 25 more tickets plus another door prize ticket!

Helper Ticket Reminders:

- Please do not forget to deposit your door prize ticket into the box in the Helper Room.
- Separate your 25 tickets per sheet and use them individually; do not put multiple joined tickets or even whole ticket sheets into the bucket of the item(s) you hope to win.
- KEEP your "HOLD THIS STUB" ticket(s). Consider taking a photo of your stubs with your cell phone camera so you have nearly instant access to your ticket numbers.
- If you enter dolls in competition, you will get five helper tickets as in the past; each ticket will have the same number and will come with their own stub.

Why We Are Making Helper Room Changes?

You spoke and we listened! Members have consistently told us that their least favorite parts of the Helper Room experience include having to write or sticker their names on every individual ticket, and then handing long rows of bulky, hard to manage tickets over multiple days of our annual celebration. Both are no longer issues with this new system, which has also been implemented successfully at other similar doll and industry events.

This change will also save our staff and convention volunteers precious time and energy before, during, and after helper drawings. We hope you agree that these updates are a win-win for everyone.

We look forward to hearing your feedback!
